No. 1248/48 :- In pursuance of the provisions of sub-section (2) of section 3 of the Seaward Artillery Practice Act, 1949 (VIII of 1949), the Government of Bombay is pleased todeclare that it intends to authorise, by a notification under sub-section (1) of section 3 of the said Act the carrying out of seaward artillery practice over each of the areas specified below during the period of 10 years from.....

Secretary to Government.

VGP. 17-7-56.

As the description proposed to be substituted for the existing description seems to substantially alter the limits of the area it will not be legally correct to issue the notification amending both the notice and notification simultaneously. It will be necessary to follow again the procedure laid down in section 3 of the Act, that is to say it will be necessary first to issue a notice declaring Government's intention to amend notification dated the 1st August 1950 and then a notification amending the same after the expiry of the period of two months.
